

## Armed Forces Game Ball Delivery Program

Honoring the men and women who bravely serve our country and make sacrifices for our freedom and safety

The Detroit Tigers honor members of the Armed Forces by including military representatives as part of the pregame festivities. On select days, a member of the Armed Forces delivers the game ball to the pitcher's mound in front of the crowd at Comerica Park. The game ball delivery is a symbol of our appreciation for the men and women who serve our country.

The Game Ball Delivery Program is intended to honor members of the military who are currently serving a tour of duty or recently returned from a tour of duty. If you or a family member is eligible for this program, please complete the information below and return via mail, email or fax:
