DEAR FRIENDS AND TIGERS FANS,

For over 100 years, the Detroit Tigers have been a prominent team player in our community and we take great pride in demonstrating our commitment to making an impact in people's lives. The Detroit Tigers Community Report will take you on a journey of the Tigers diverse outreach locally here in Detroit, regionally throughout the state of Michigan, nationally as well as internationally, with an overview highlighting the organization's positive influence.

Each season, the Tigers focus on developing and introducing programs that touch lives, support a cause and create lasting memories, all in the spirit of fostering a better community. The Tigers connection with charitable and non-profit organizations continues to grow, and it remains a priority to recognize the great women and men who have served in the Armed Forces of the United States of America.

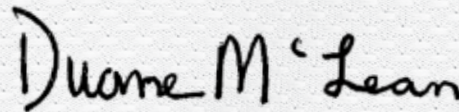

The Detroit Tigers Foundation, an affiliate of Ilitch Charities, plays an integral role in leading the charge in revitalizing and nurturing our community, a mission clearly defined by making our enhanced community a better place to live and play.

Moving forward, we pledge our commitment to a standard of excellence in community service starting with ownership, to the manager, players, coaches, the players' spouses, front office staff, corporate partners and team broadcasters.

YOUTH BASEBALL

PLAY BASEBALL DETROIT

Tigers outfielder Justin Upton high fived youth baseball and softball players during the Play Baseball Detroit pregame ceremony at Comerica Park.

For generations, the game of baseball has been woven into the fabric of the greater Detroit community. The Detroit Tigers do their part to carry on this tradition for future generations through the club's signature Play Baseball Detroit program. Serving over 115,000 children since 2008, Play Baseball Detroit features a host of programs designed to provide resources and engage children in baseball, including equipment collections, field maintenance projects, school rallies, baseball skills clinics, competitive tournaments and an online team registration program. The launch of Play Baseball Detroit was funded largely through the generosity of Detroit Tigers players and is currently funded through the Detroit Tigers Foundation, an affiliate of Ilitch Charities.

Over 115,000

EAST VS. WEST ALL-STAR GAME

High school baseball coaches throughout the state of Michigan host the Michigan High School Baseball Coaches Association East-West All-Star Classic. The Detroit Tigers open the doors of Comerica Park to 36 of Michigan's elite athletes as selected by the Coaches Association. The game, presented by the Detroit Tigers Foundation, often turns into a "major" opportunity for the players – Major League, that is! Many players from the East-West All-Star Game have been selected in the MLB June Amateur Draft.

All-Star Game alumni from the last 30 years include multiple Major League All-Stars, World Series Champions, a Gold Glove winner and a Cy Young Award winner.

EDUCATION

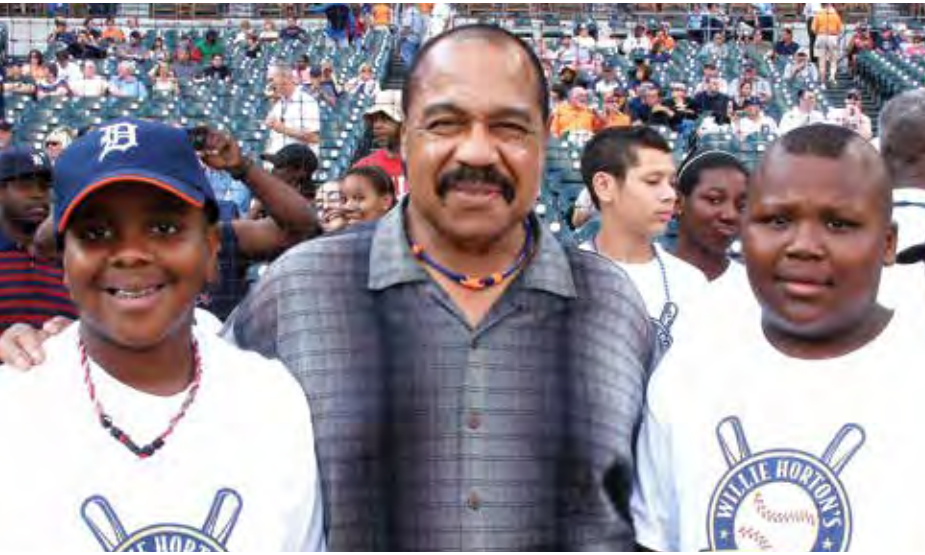

REWARDING HARD WORK AND ACADEMIC ACHIEVEMENT

Each season, the Detroit Tigers encourage students to get involved in leadership-building activities, ranging from safety patrol to maintaining perfect attendance. Annually, over 12,000 students attend a Tigers game at Comerica Park in recognition of their academic and leadership successes.

KIDS USE CREATIVITY TO HONOR JACKIE ROBINSON

Jackie Robinson's debut with the Brooklyn Dodgers in 1947 marked a milestone in baseball history. To honor Robinson's legacy, the Tigers invite local children to participate in the Jackie Robinson Art, Essay and Poetry Contest. By expressing themselves through these creative avenues, students capture Robinson's spirit and his tremendous impact on our society. The winning students are honored in a special pregame ceremony, and then enjoy the game with their families and teachers.

EDUCATION THROUGH BASEBALL

Tigers legend Willie Horton never forgets his hometown of Detroit and children in need. The Detroit Tigers Foundation and Don Bosco Hall open the gates of Comerica Park each year to over 450 underprivileged children ages 5-15 for Willie Horton's Batting for Kids skills competition and baseball demonstration clinic.

THE FUTURE OF TOMORROW

Launched in 2015, through the Ilitch Holdings' Community Connect program, students from Cass Technical High School in Detroit take part in a paid 10-week internship program with the Detroit Tigers.

STRIKE OUT BULLYING

Bullying can affect everyone – those who are bullied, those who bully and those who witness bullying. It is an epidemic that has swept the nation, impacting schoolchildren of all ages. With this in mind, the Detroit Tigers launched the Strike Out Bullying campaign to combat this concerning trend among youth.

HIGH FIVE FOR LEADERSHIP

Leadership is important to the success of any sports team. It is also important to the success of any community. Since many of the leadership lessons learned in sports can be a model for becoming a leader in other areas, the Detroit Tigers partnered with the *Detroit Free Press*' Newspapers in Education program to create an educational supplement to encourage students to become leaders at home, at school and in the community. The "High Five for Leadership" program was shared with nearly 120,000 schoolchildren in 3,500 schools across the state of Michigan.
