Another exciting baseball season is under way, and while most would think there is nothing like accumulating wins on the field, I would argue that those off the field are equally as rewarding. This is a busy time of year for our foundation, as we look to further improve a community that continues to display the care and touch of the D-backs.

In just the last month, we held our ninth annual “Evening on the Diamond” fundraiser, where the generosity of our guests generated over $1.6 million, as well as dedicated our 35th “Diamonds Back Field” in the name of our beloved and legendary gem Roland Hemond directly in the shadows of our beautiful ballpark. We also launched our new “Chase Your Dream” initiative with our wonderful partners at Chase, as we look to provide necessary equipment and resources to local area high school baseball programs that have been identified in need. Additionally, we are excited to host our third “Race Against Cancer,” where the participation and registration numbers continue to grow through the roof.

A busy few weeks – yes – but it sets the table for an entire calendar year planned with community giving. Our commitment to Arizonans is what differentiates us and defines us. It starts at the top, with an ownership group that has never put a dime in any of its pockets. Instead, they are committed to putting it in empty pockets, as they look to make an impact in such ways as feeding and housing those less fortunate, improving educational conditions for our future leaders, and striving to find cures for some of our most prevalent diseases, just to name a few.

We fully understand and embrace our social responsibility and the positive effect that we can have on bettering lives in our great state. Giving back to the community is a vital part of our mission statement, as well as our “Circle of Success,” comprised of our five main areas of organizational focus. And as satisfying as it has been and continues to be to change lives, we realize there is always more we can do and challenge ourselves to dig deeper, raise more money, volunteer more hours, serve on more boards, visit more hospitals and schools, and change the landscape of true deprivation.

We recently surpassed the $41 million mark in giving to a franchise that has only existed since 1998, but we are now counting down the time to surpassing $50 million and hope to within the next few years.

We often explain that we are in the business of creating lifelong memories and putting smiles on faces. I can tell you firsthand that there is no more precious a smile than that of a child who puts on his new uniform as part of our D-backs Give Back Youth Jersey Program, or that of a woman and her family after receiving one of our backpacks filled with food to get them through the weekend, or that of a jobless family given a season ticket scholarship to attend all 81 games for free.

We deeply thank you for your continued support of the Arizona Diamondbacks Foundation, as it brings a smile to our faces, but obviously, and more importantly, to the faces of so many others who deserve an escape, a break, an opportunity, or a glimmer of hope.

Sincerely,

Derrick M. Hall

CELEBRATING $41 MILLION IN CHARITABLE GIVING
The Arizona Diamondbacks Foundation is proud to announce a partnership with Chase to introduce the “Chase Your Dreams” program. The new initiative is a commitment from Chase and the Foundation to revitalize struggling high school baseball and softball programs in Arizona. Together, the D-backs and Chase will provide schools with financial support, equipment and supplies, facility improvements, coaches training, athlete training, field maintenance training and fun baseball experiences designed to increase commitment and engagement. In year one of the program, the D-backs will work with the Phoenix Union High School District to evaluate needs, analyze field improvements and grow the love of baseball through outreach to feeder schools.

The program was launched on Friday, April 3 at Maryvale High School. D-backs executives, Arizona Diamondbacks Foundation staff and Chase personnel surprised both Maryvale and Carl Hayden High School varsity baseball teams with bats, balls, catchers gear, equipment bags and basic field maintenance items. The D-backs and Chase will host each Phoenix Union High School baseball and softball program at Chase Field for a game and recognize them on-field during a pregame ceremony.

Chase Your DREAMS

On Thursday, April 2nd, The Arizona Diamondbacks Foundation welcomed nearly 700 guests to Chase Field for the ninth annual Evening on the Diamond presented by University of Phoenix. Evening on the Diamond is the signature fundraising event of the Arizona Diamondbacks Foundation. With the support of Co-Chairs, Jeff and Sharon Stevens, and Honorary Co-Chairs, J.J. and Kelsey Putz, this year’s gala raised $1.6 million for the Arizona Diamondbacks Foundation. The funds benefit nonprofit organizations throughout the state of Arizona.

D-backs players, coaches and legends including Chip Hale, Paul Goldschmidt, Tony La Russa, Luis Gonzalez and Randy Johnson were in attendance among Valley business leaders and philanthropists. For the second year in a row, Chase Field looked like the “Wild West” as guests donned their best western wear for a performance by country music star, Lee Brice.

Donald Brandt, Chairman of the Board, President and CEO of Pinnacle West and APS was celebrated for receiving the Lee T. Hanley Community Leadership Award. The annual award recognizes a community leader for their efforts in making a difference to improve the lives of others.

A highlight of the evening was the launch of Chase Your Dreams, an initiative that provides support to high school baseball and softball programs in Arizona. The Arizona Diamondbacks Foundation and Chase pledge over $300,000 to support the program. Generous guests donated more than $75,000 to support Arizona high school baseball and softball teams.

Since 2007, Evening on the Diamond has raised more than $13 million to support the Arizona community.
D-BACKS GIVE BACK YOUTH JERSEY PROGRAM

The Arizona Diamondbacks Foundation launched the D-backs Give Back Youth Jersey Program in the Spring of 2014 after learning about the financial crisis leagues were facing. After gaining a clear understanding of the situation, the D-backs identified the opportunity to fund D-backs uniforms for the most at-risk leagues. By reducing league uniform costs, funds were reallocated toward equipment, field improvements, and reducing registration fees.

In partnership with Fry’s Food Stores, Tide and Western Refining the program was expanded in 2015 from 30 to 62 youth leagues across Arizona. Leagues from all corners of the state are participating in the uniform program including Tucson, Flagstaff, Prescott and Casa Grande. The high-quality Majestic D-backs jerseys and caps are worn by more than 35,000 youth baseball and softball players and their coaches. The D-backs uniforms are available in 68 color combinations, including the traditional Sedona Red, white, black and gray as well as throwback colors purple and teal and unique options like Los D-backs, camouflage and gold.

Each participant in the program received an official D-backs Player Kit that includes a keepsake 2015 player contract, special team offers and welcome letters from D-backs Chief Baseball Officer and Hall of Fame Manager, Tony La Russa and D-backs President and CEO Derrick Hall.

To kick-off the 2015 season, D-backs, Fry’s and Western Refining personnel attended several Opening Day ceremonies welcoming the leagues to Team D-backs.

DIAMONDS BACK FIELDS

On Thursday, April 9 the Arizona Diamondbacks Foundation dedicated Roland Hemond Field, the 35th “Diamonds Back” Field, presented by APS.

Roland Hemond Field is located in the shadows of Chase Field at Alkire Park. Leading up to the dedication, over 60 volunteers made up of employees and family members from the Arizona Diamondbacks and APS teamed up with the City of Phoenix to clean the neighborhood surrounding Roland Hemond Field by picking up trash, weeding and tree trimming.

Surrounded by family, D-backs President & CEO Derrick Hall, D-backs Chief Baseball Officer Tony La Russa, Arizona Public Service Chairman & CEO Don Brandt and Councilwoman Kate Gallego, Roland was touched to see his name on the scoreboard.

Roland is one of baseball’s most well-known executives. He was the second recipient of the National Baseball Hall of Fame Buck O’Neil Lifetime Achievement Award in 2012. He is currently in his eighth season with the D-backs and is a three-time winner of MLB’s Executive of the Year award. He has 64 years of professional baseball experience, including 23 seasons as a general manager for the White Sox and Orioles. Considered the architect of the Arizona Fall League; he is the only non-uniformed personnel to have received the esteemed Branch Rickey Award.

APS and the D-backs share a passion for giving back to the community and touching the lives of many Arizonans. The field building program is just one way that both APS and the D-backs are making an impact.
HOW YOU CAN GIVE BACK

PLAY BALL FUND
Each month during the 2015 season, the Arizona Diamondbacks Foundation together with Chase and Western Refining will award up to ten $1,000 grants to Arizona based youth sports teams. Any Arizona youth team, league or organization can apply for funds to support player equipment, training for youth players or coaches, assistance with fees and expenses or facility improvements. Apply at dbacks.com/playball.

D-BACKS GIVE BACK 50/50 RAFFLE SUPPORTED BY WESTERN REFINING
Proceeds from the 50/50 Raffle benefit the Arizona Diamondbacks Foundation to support youth baseball field development and sports outreach across the state of Arizona.

Tickets can be purchased through the 6th inning for $2 each, 3 of $5, 10 for $10 or 40 for $20 in the stands by enthusiastic sellers and at the D-backs Community Clubhouse located on the main concourse behind section 131. The winning raffle number is announced at the end of the 7th inning with the winner receiving 50 percent of the announced jackpot.

PLAYER, COACH, VOLUNTEER OF THE MONTH
The Arizona Diamondbacks Foundation and the D-backs Baseball Academy would like to recognize outstanding youth players, coaches, and dedicated team volunteers. One youth player (ages 6-18), one coach, and one sports team volunteer will be selected from submitted nominations. Submissions must include a brief description of why the player, coach, or volunteer is deserving of the recognition. The D-backs philosophy is that it is “More important to be a Major League Person, than Major League Player.”

The winner will be invited to a D-backs game to be recognized on-field during a pregame ceremony and will receive a D-backs jersey, four D-backs lower level tickets to the game on their day of recognition and have the opportunity to watch batting practice from the field. Nominate an outstanding player, coach or volunteer at dbacks.com/academy.

D-backs Race Against Cancer
Register now for the 3rd annual D-backs Race Against Cancer presented by the University of Arizona Cancer Center at Dignity Health St. Joseph’s Hospital. The 5K and 1-mile Banana Boat Family Fun Walk will take place on Saturday, May 3 at Chase Field in downtown Phoenix. Top finishers in each age division will be recognized on the field during a May 8 pregame ceremony. Proceeds benefit the Arizona Diamondbacks Foundation and will be distributed to nonprofits that provide screening, treatment and support for those dealing with cancer.

Registration includes event shirt, finisher medal, drawstring bag and a finisher medal.
