Cardinals Academic Program

The Cardinals Academic Program integrates the game of baseball with school curriculum and provides hands-on activities in various locations at Busch Stadium. Students in grades 3-8 will participate in three units, selected by the teacher (see inside for unit descriptions). Units are designed for Grades 3-4, 5-6 and 7-8.

Each unit was designed and written by Missouri and Illinois educators. With an emphasis on Common Core and State Standards, students apply their knowledge to real-world situations.

Specific standards for each unit are available upon request.

Look What Others Are Saying About CAP!

“The kids and I had an amazing time! Smiles all around! I didn’t think we would experience so much!”
— 3rd grade teacher

“The students’ excitement is the best part—which is a direct reflection of the program.”
— 5th grade teacher

“Super organized! We make this an annual trip, mostly because of the passion of the employees and the academic aspect.”
— 6th grade teacher

“The best part of the CAP experience is that you show students the skills they use in the classroom are needed in their future, even in professional sports.”
— 7th grade teacher
Choose 3 of these units for your 90-minute CAP experience!

**Cards Calculations**
Math
Explore the numbers on the back of a baseball card and learn how to use them by solving math problems like a baseball analyst.

**Q&A Triple Play**
Language Arts
Practice crafting good questions to help you develop the skills of good readers, researchers and thinkers.

**Legendary Logos**
Design/Art
Discover the principles of logo design by looking at our own "Birds-on-the-Bat" and then redesign the legendary Cardinals logo by using those same techniques.

**The Character Team**
Social Studies
Celebrate the unique role each member of a team can play by identifying character traits that are important to you.

**Sandlot Science**
Science
Use scientific inquiry skills to conduct an investigation of the most exciting collision in baseball...bat and ball.

**Through The Years**
History
Inspect artifacts from the Cardinals past and present stadiums to discover similarities and differences in the game of baseball.

---
