New this year, FanFest is centered around a team workout on field beginning at approximately 1pm each day. Fans will have a chance to sit in the stands on the main concourse and see their favorite Mariners run drills and take batting practice as they prepare for Opening Day at T-Mobile Park coming up this Thursday, March 28th.

The Mariners will be taking batting practice using specially marked baseballs with a Catch 'n Win stamp. Catch one of the stamped balls and you’ll win a Mariners autographed baseball! Simply head to Prize Central at Section 138 on the main concourse with your stamped ball to redeem your prize.

Remember to use #MarinersFF to capture your memorable Mariners FanFest moments at T-Mobile Park!
Welcome to Mariners FanFest! March 23-24, 10am–4pm
