

*Orionles*™

The image features the word "Orionles" in a bold, black, cursive script. The letters are thick and have a slightly irregular, hand-drawn quality. A prominent, thick, black underline runs beneath the word, starting from the bottom of the 'O' and ending with a decorative, pointed flourish under the 's'. A small, light gray "TM" trademark symbol is positioned to the upper right of the final letter 's'. The entire logo is set against a plain white background.
