## SOCIAL GATHERING LOCATIONS AT YANKEE STADIUM

There are numerous socially-oriented and family-friendly gathering spots throughout Yankee Stadium, all of which are designed to improve the Guest experience. The Yankees are excited to provide these spaces, which provide different vantage points to watch the game along with dynamic food and beverage items. Here are some areas that all fans can enjoy:

### PLYMOUTH ROCK KIDS CLUBHOUSE

The Plymouth Rock Kids Clubhouse is Yankee Stadium's children's zone. Shaped like a mini-baseball field with a soft artificial surface, the 2,850-square-foot area is located on the 300 Level in right field and outfitted with Yankees-themed playground equipment, including oversized baseballs, bases and baseball cards. The Kids Clubhouse is accessible to all Yankee Stadium Guests. Children may play among the colorful fixtures, including a 6-foot-high replica World Series trophy. Parents can join their children on the play area or choose to oversee them from a nearby dugout. Television monitors ensure that no one misses any game action. There is also a shaded section of the play area with interactive exhibits, and the Clubhouse includes two family restrooms equipped with changing tables. Nursing mothers will have an additional private space, including a television and power outlets for those using electric breast pumps.

### MASTERCARD BATTER'S EYE DECK

Located on the 200 level in center field with a clear, sweeping view of the entire Stadium, the Mastercard Batter's Eye Deck is a 3,500 square foot space with drink-rails overlooking the field. This outdoor gathering space features craft beers, cocktails and a large selection of food options.

### FRANK'S REDHOT TERRACE AND TOYOTA TERRACE

Located on the 100 Level (in the former Sections 239 and 201, respectively) are open-air social gathering areas overlooking the visitors and Yankees bullpens. Both terraces feature their own specialty food and drink options. Drink-rail locations at the landings have power/USB outlets. As a result of the 2017 reconfiguration, all obstructed-view seats in the Bleachers have been removed.

## AT&T SPORTS LOUNGE FEATURING DIRECTV SERVICE

The AT&T Sports Lounge featuring DirecTV service at Section 134 on the Field Level includes a full bar with craft beers and cocktails. Tables, stools and large-screen televisions tuned to the Yankees broadcast and other live sporting events provide a sports-bar atmosphere on the Stadium's main outdoor concourse in left field. Additionally, power/USB outlets are available for charging phones or tablets.

## BUDWEISER PARTY DECKS

The 300 Level of the Stadium includes Budweiser Party Decks at Sections 311 and 328, featuring shaded stand-alone bar areas serving beer, cocktails and food. Drink-rail and barstool seating provides fans a relaxed and casual setting from which to enjoy sweeping views of the field and game action.

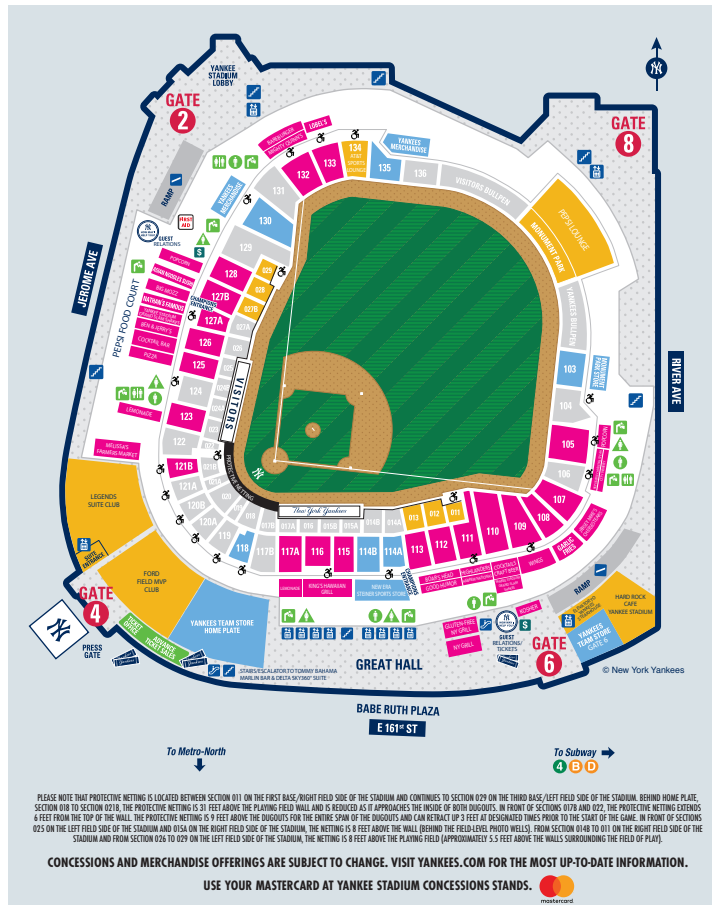

## PEPSI FOOD COURT

Located between sections 125 and 127B on the Field Level, the Pepsi Food Court contains a wide variety food and drink options for all fans. Centered around a bar with large-screen televisions, fans may enjoy the wide-ranging fare at shaded tabletop seating.

FOR YANKEES TICKET INFORMATION, PLEASE VISIT [YANKEES.COM](http://YANKEES.COM) OR CALL (212) YANKEES.

Time, opponent, date and team rosters and lineups are subject to change.

Lineups noted with a red border and asterisk (\*) have game times subject to determination by, among others, MLB and its television partners. Any future start time changes to these games will also be accompanied by a change in the television carrier.

Game times listed as TBD are subject to determination by, among others, Major League Baseball and its television partners.

The term "Premium Game(s)" is defined as the Opening Day game, the Old-Timers' Day game and all home games played against the Boston Red Sox and New York Mets, and such other games during the regular season, as may be designated as Premium Games, on no less than seven days' notice, no later than the first day of each month during the regular season.

All individual game ticket prices are subject to variable and dynamic pricing, which provide fans with more price options based on changing factors that affect market demand.

In no event will the Yankees be liable to the ticket holder and/or ticket purchaser for any direct, indirect, consequential, exemplary, incidental, special or punitive damages or for lost profits, revenues or business opportunities even if the Yankees have been advised of the possibility of such damages.

Be advised that the Yankees reserve the right to take appropriate action against individuals who fraudulently obtain wheelchair accessible and/or companion seats, including, without limitation, ejection and legal action.

Tickets may not be used for advertising, promotions of any kind (e.g., self-promotions, product promotions, ticket promotions, business promotions and/or commercial promotions) or any other commercial purposes, including, without limitation, contests, auctions, sweepstakes and giveaways, without the express written consent of the Yankees.

Please note that protective netting of varying heights is used in the Stadium from Section 011 to behind home plate to Section 029.

**WARNING:** Please stay alert and be aware of your surroundings at all times. Baseballs and bats and fragments thereof may be thrown or hit anywhere in the Stadium. Guests concerned about their seat location may request a relocation by proceeding to the Ticket Windows located: (a) adjacent to Gate 6 in the Great Hall; (b) adjacent to the Yankees Team Store behind home plate in the Great Hall; or (c) adjacent to Section 320C on the Terrace/Grandstand Level. All seat relocations are subject to availability, may be in a different area in the Stadium and may require additional payment based on location requested. Relocation to a seat or standing location at a lower price than the price of the original ticketed location will not result in a refund or credit.

**WARNING:** Guests may not transmit or aid in transmitting any photographs, images, videos, audio, livestreams or other accounts or descriptions (including play-by-play data), whether text, data or visual, in any media, now known or hereafter developed, of all or any part of the game or related events, without the express written consent of the Yankees.

**NOTICE:** For the safety of every Guest, all persons specifically consent to and are subject to metal detector and physical pat-down inspections prior to entry. Any person, item or property that poses a safety threat shall be denied entry.

**NOTICE:** The Yankees reserve the right, with or without refunding any amount paid by the ticket holder, to refuse admission to and/or eject any person who: (a) is or appears to be impaired; (b) deliberately conceals alcohol, illegal substances or other prohibited items while attempting to enter Yankee Stadium; (c) acts in a manner that is unruly, disruptive or illegal; (d) uses derogatory, foul and/or abusive language and/or gestures; (e) displays and/or wears and fails to cover obscene, indecent and/or inappropriate clothing; (f) exposes him/herself; or (g) otherwise violates the Code of Conduct. Ticket holders acknowledge and agree that the prohibitions set forth in clauses (c) through (f), above, do not violate their right to free speech and/or expression and that such time, place and manner of the restrictions are reasonable to maintain a family-friendly atmosphere, ensure the safety of all Guests and sports or event participants and preserve the enjoyment of the game or event for all Guests. In addition, ticket holders further acknowledge and agree that by entering Yankee Stadium, they hereby consent to the prohibitions set forth in clauses (c) through (f), above, to the fullest extent they may legally and effectively do so, any objection they may now or hereafter have to such prohibitions and the penalties that the Yankees may impose for any violation of the same.
